8. PENDING ACTIONS

■ Khadija sign-off	Visual approval of design across all 3 sizes
■ Order samples	sheetlabels.com/samples — SL125-XW, SL1184-XW, SL1189-XW
■ Laser printer	Acquire Brother HL-L3270CDW before first print run
■ Topcoat test	Test clear spray topcoat on printed samples for moisture resistance
■ HMAC rotation	Rotate secret FXE5253 after QR testing complete
■ PDF generator	Update template config with 3 new label sizes and sheet margins
■ Etsy listing	Digital PDF first — validate demand before physical inventory
■ App Phase 2	Complete Porcelain Sky redesign: LabelDetail, LabelForm, Search, Settings
